YOUR PROFESSIONAL BREAKTHROUGH IN GERMANY!

# RECOGNITION – FINANCIAL SUPPORT

## HOW DO I GET FINANCIAL SUPPORT FOR THE RECOGNITION PROCESS?

The pilot project, to support the applicants started on 1.1.2020 and will most probably end by the end of 2022. The financial support will be aimed at some selected professions as for example Electronics technician, mechanic, mechatronics technician, IT specialist, nursing professions, social pedagogue; Social workers. These will be persons in a professional recognition procedure with a notification of partial equivalence of their profession or those who received the notification of the requirement of a compensatory measure (that means they have to accomplish some courses or acquire certain skills or qualifications to get their profession fully recognized in Germany). This financial support is aimed at those of you who have lived in Germany for at least three months, regardless of your nationality, your residence status or the state where you completed your training or academic studies. Apart from that if you have a low financial income at about 26.000 Euro gross annual income for a single household and 40.000 Euro for married couples. The support is aimed at employed persons. It is not granted if receive social benefits. If all these criteria apply, then you can get a maximum of 3,000 €. Please bear in mind, who comes first, serves first. The number of funding cases is limited by a certain budget. Following measures will be funded: Measures within the recognition procedures, such as adaptation courses, preparatory courses for specific tests including inter-company apprentice training, exam fees, costs for advice and support and internships. The costs for language courses, language tests, travel expenses, cost of living are not included there.
